<u>OF AN AUTOLOGOUS THROMBIN</u>)	

STATEMENT REGARDING CORRECTION OF TITLE

MAIL STOP ISSUE FEE
Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Title of the patent was amended in Applicant's Amendment and Remarks filed January 23, 2003, in response to the non-Final Office Action (Paper No. 8). However the amended title was not reflected on the Fee Transmittal issued by the Patent and Trademark Office. The marked up Fee Transmittal submitted herewith provides the correct title as "SYSTEM FOR THE PRODUCTION OF AN AUTOLOGOUS THROMBIN".
